Dear Sir:

PETITION TO REVIVE UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 C.F.R. 1.137(b)

Applicants respectfully request that the above-captioned patent application be revived and that prosecution continue thereon in accordance with 37 C.F.R. § 1.137(b). This application was unintentionally abandoned by a failure to file a timely and proper Appeal Brief or Request for Continued Examination after Applicants filed a Notice of Appeal on July 5, 2006. The final deadline (including extensions) in which to file the Appeal Brief or Request for Continued Examination was February 5, 2007. The entire delay in filing the required Appeal Brief or Request for Continued Examination from the due date for response until the filing of this petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

A copy of Applicants' Request for Continued Examination filed concurrently is attached hereto. Applicants respectfully request that examination proceed based on the instant petition and the attached Request for Continued Examination.
